### **Yachtcation Well-received by the Yachting Community**

"Over the past months, we saw a good response towards the Yachtcation packages, especially during weekends and holidays. Visitors enjoy the modern facilities at the marina while revelling in the tranquillity in their private space. Some also take the opportunity to explore the dynamic Discovery Bay, and enjoy the activities available here in Discovery Bay, such as hiking, beach fun, ice skating, alfresco dining at D'Deck or a relaxing spa at Auberge Discovery Bay Hong Kong. Some of them also take the adventure to Lantau waters, for instance, to Cheung Sha, Pui O for water activities and fishing," said Mr Ivan Lee, Vice President of LYC.

Both members and visiting members speak highly of LYC marina's quality and take pleasure in the many activities in and around Discovery Bay. "LYC is the only yacht club in Hong Kong that offers berthing flexibility through the yachtcation package. It's the newest marina and we are impressed by the top-notch facilities and impeccable services. It's the best in town indeed," said Mr Colven. "What we particularly love about the stay is the dining experience at Caffè Napoli. We feel the team's passion for food and how they wholeheartedly create the best dining experience for their guests." The Colven family is among regular yachtcation guests at Lantau Yacht Club, averaging one visit a month.

The yachtcation stays have also been highly commended by those in the boating industry, who have supported the luxury getaway by inviting their clients for experience. Mr Thomas Woo, Chairman and Founder of the Marine Italia dealership, is among many to come with friends on their own yachts for an escape from the city. "It offers an excellent opportunity for yacht owners to explore different yachting locations, especially the western and southern waters of Hong Kong, Discovery Bay is an all-in-one destination offering diverse attractions and fun activities to spend a relaxing time with friends and family," said Mr Woo.

### **Bon Voyage**
